13. Please describe this person's greatest strengths as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- Great personality! Funny dude.

- He keeps the class well entertained.
- Jay is extremely helpful. If he sees that many students are confused with the lecture, PA's, or HW's he will hold an additional discussion to explain it more in detail. He is also very patient and is willing to repeat his explanation, and I can tell he doesn't rush to repeat and finds other ways to teach his students.
- Very good at explaining concepts

14. Please describe this person's greatest weaknesses as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- At times he gets ahead of himself and does not realize when he has made a mistake
- Doesn't sleep enough :) get some sleep buddy
- None that I could think of?
- Sometimes, what was taught in lecture is slightly different from what Jay teaches us, but I don't think that's a significant weakness.

15. Do you have any other comments to add to your evaluation?
Please keep your comments constructive and professional, abiding by the Principles of Community

- I know Jay was the main TA for two classes so the fact that he was able to reply to my emails pretty quickly and that he never got annoyed with my endless questions tells me that he has a lot of patience for students. Thanks Jay!
- Nope.
